

On-Line Lessons for Terry Whalen

Period 4– Graphic Art and Design 110 - At this time, we are unsure when we will be back to school we are obviously dealing with some very unique and at times stressful circumstances none of us have ever had to deal with. If you would like to continue working on course content for Graphic Art and Design 110 you are basically setup depending on your immediate access to a home computer. As part of GAD 110 you have already been provided access to Adobe Creative Cloud. You will be able to install Adobe Creative Cloud using the e-mail link your received on your student e-mail. It is what you used to install it on your computer at school, Just follow the same procedure. With this access you can download Adobe Photoshop and Adobe Illustrator, the two primary programs we have been using to complete projects for this course.

Of course your ability to install and use this software will be dependent on the computer you have at home. Unfortunately, an older computer may have difficulty running this software. Do the best you can with what you have. Your inability to successfully install and use this software will not be held against you. If using this software is not possible, you might be able to use another graphics program you do have. This could include but is not limited to Microsoft Paint. Again, do the best with what you have.

No deadline will be attached to these assignments, complete as time allows but I envision them taking between 6 and 12 hrs to complete. When completed you can take a photo and e-mail that to me. If you have any questions or concerns you can send me an e-mail at terry.whalen@nbed.nb.ca

Assignment # 1 – Graphic Art and Design 110 – For the first project and the next project we were getting set to start is the CD Design project. If you were present on one of the last days before the schools were shutdown you may recall my overview of the project. I would ask you to download the Wallet template from http://indiepool.com/?page_id=2121. If this link does not work, using Google go you Indiepool.com and go to their Template link and download the wallet template. Once you have down that you will open it using Adobe Illustrator. From here you will design your CD artwork using a combination of text, photos and graphics you have created from scratch. Remember before you are finished all artwork on the

top two panels will need to be rotated 180 degrees so they are upside down. This CD project can be for an existing band or one you have made-up yourself. If you have access to other CD artwork, this can be used as a guideline or for creative purposes. No deadline will be attached to this assignment, complete as time allows but I envision this taking between 10 hrs to complete. When completed you can take a photo of it or attach it and e-mail that to me. If you have any questions or concerns you can send me an e-mail at terry.whalen@nbed.nb.ca

Assignment # 2 – Graphic Art and Design 110 – I would like you to do a photo manipulation project. Create something that you know you would never find or be able to take a phot of.

You are only limited by your own creativity. You will primarily only be using Adobe Photoshop to complete this project. Based on assignments we have completed to date you have the ability to cut, copy and paste, you know how to select areas of an existing photo and move them, color them, distort them. No firm deadline will

be attached to this assignment, complete as time allows but I envision this taking between 10 hrs to complete. When completed you can take a photo of it or attach it and e-mail that to me. If you have any questions or concerns you can send me an e-mail at terry.whalen@nbed.nb.ca

Assignment # 3 – Graphic Art and Design 110 – I would like you to complete a personal project of your own choosing. It can be of anything you like. It can be a combination of projects we have already completed to date. Be creative and use the tools in both Adobe Photoshop and Illustrator. You are only limited by your own imagination. I am here to assist with ideas if you would like to reach out. I will get back to you as quickly as I can. I am normally pretty close to my computer and my incoming e-mail. No firm deadline will be attached to this assignment, complete as time allows but I envision this taking between 15 hrs to complete. When completed you can take a photo of it or attach it and e-mail that to me. If you have any questions or concerns you can send me an e-mail at terry.whalen@nbed.nb.ca
