Week 2

Continue working on your song lyrics. Three verses and one chorus. Make sure it has a title.

This week create a band/group name songwriter's name. Queen vs. NSYNC vs. Lady Gaga. Write your band/group/artist's biography. This can be real (yours), imagined or elements of both. Take a look at your favourite artist's bio to get an idea. This should not be more than one half of a page typed.

Due: April 17th
