

Music 10 Power Point Project

Create a PowerPoint presentation on a composer or artist(s) of your choosing. (We started these during our last week of school).

In your project include all aspects of the individual's life such as where and when they were born who their parents were, schooling, when they learned to play an instrument, formal musical training, former bands, current band, marriages, children etc.

Also include a song analysis of one of their songs/compositions. If it is a current artist, no foul language is allowed.

Your PowerPoint must be at least 15 slides long and include a bibliography listing all of the sites that you used.

This assignment must be in your own words.
