

## Reading Tutor 120

At present, we are unsure of when we will return to school. I will upload to my Teacher Page assignments that you can complete.

Canadian Students

Learning Styles

Describe the seven styles of learning and how you adapt to teaching students in these styles. Please give examples. Which one describes your learning style? Complete one style per week for the next seven weeks. Include an activity that can be done with the class that showcases each learning style.

The seven styles are:

Visual, Aural, Physical, Verbal, Logical, Social, Solitary
