[Please use the “Template” we created in MS Word to get started. Make sure the “AutoSave” feature is “Off” then update the “Header” with the proper assignment number (“6”), name (“Digital Business”) and date. Click on “File” then “Save as” and save the assignment on your OneDrive - EECD in your “BBT & PDCP 10” folder in the “Core Technology Skills” sub-folder. Name the assignment “Assignment 6” and make sure the “AutoSave” feature is “On”. Type up your responses to the nine (9) questions then print and submit Assignment 6 to Mrs. Maltby Ingersoll.]

QUESTIONS:

1. Why do people still shop in stores? (Give two reasons.) (2)
2. Why do people shop online? (Give two reasons.) (2)
3. Which do you prefer – shopping in a store or shopping online? Why? (2)
4. When shopping online, prices can sometimes seem too good to be true. What “trick” may sellers use in these circumstances to get the true price of the items they are selling? (You will find this answer on the bbtbnb website using the link above.) (1)
5. Canada Post has been crippled due to people using digital communication (email, texts, social media, etc.) instead of mailing their post. Canada Post now focuses on the delivery of products purchased online. Is this a smart change in their business plan? Why or why not? (2)

You may need to do some internet research for questions #6 to #9.

6. What is PayPal? Please describe this system in detail. (2)
7. How does PayPal keep you safe while shopping online? (Think about your identity.) (1)
8. How does PayPal make money if they are not charging the buyer? (1)
9. If you buy something from another country and it does not arrive, how does PayPal protect you? (1)

Here's how I would like you to set up your MS Word document:
