The Dieppe Fly Fishing Forum – 8th Year!

The Dieppe Fly Tying Club presents the eighth Fly Fishing Forum on March 26th and 27th, 2011 at the New Brunswick Community College in Dieppe. The principal objective of the Forum is to promote the sport of fly fishing in general and attract underrepresented demographic groups like women and youth to this activity; while this continues to be our goal, the Forum has become the harbinger of Spring for fly fishing enthusiasts throughout the Maritimes.

The Dieppe Fly Tying Club is pleased to announce that since the beginning of the Dieppe Fly Fishing Forum, more than \$30,000 was given to different conservation and river associations of NB.
