

TASK: Today you will be working with Movie Maker & editing a video promoting MVHS Football. Use the following link to access the files...

https://drive.google.com/open?id=0B92NO_Bfq5s-N0JvMmZqeEhfV3M

Check out the videos and pictures from this link...save the ones you want to use before opening the Movie Maker program.

IMPORTANT: Whatever files you want to use **MUST BE SAVED TO A LOCATION WHERE YOU WILL ACCESS THEM WHEN USING MOVIE MAKER...**best plan is save to a memory stick so you can work at home too!

NOTE: The handout will help you with familiarizing yourself with the software. There are lots of tutorials online with both video and step by step guides.

OBJECTIVE: Using the media content provided, create a 3 – 4 minute promotional video on MVHS Football.

NEED: The following elements must be included in the video...

- Title page with a logo
- Captions or other methods of incorporating text/narration
- Transitions/Animations from different clips/pictures
- Music (must be copyright free...see MakerSpace post for links)
- Slow motion on at least one of the GoPro video clips
- Accelerated motion with at least one of the Drone video clips
- A summary to promote fans to get out and watch a game

DUE: This assignment will be due Wednesday, October 5th [save video file on MakerSpace Desktop]
