

APPLICATION DEADLINE:
Wednesday March 1, 2017

OVERVIEW

The Future Health Research and Innovation Scholarship was created in 2015 for the purpose of fostering awareness in health research and/or innovation at the IWK and to recognize outstanding Grade 12 students in the Maritimes who have demonstrated an early interest in health related research and/or innovation.

ELIGIBILITY

To be considered for one of three Future Health Research and Innovation scholarships, you must be a Grade 12 student in the Maritimes and must intend on continuing your education at a Maritime post-secondary institution (college or university) in a field that will enhance research and/or innovation in health care.

APPLICATION

Write an essay (3 page max, double spaced 12 point font) demonstrating your interest in health related research and/or innovation and how it will improve the health and well being of children, women or families in the Maritimes. You must provide one academic and one character letter of reference. Lastly, you must provide your academic transcripts for Grades 10-12, and have a minimum average of 75%.

Awards will be issued as follows:

- *One in Nova Scotia*
- *One in New Brunswick*
- *One in Prince Edward Island*
