

# THE PREDATOR GAME

Atlantic salmon and trout are pursued by a wide variety of predators during their lives. Below are shown a wide variety of these predators.

For each predator, can you determine what life stage the salmon or trout might be prey?

Seal  
adult, grilse, smolt

Cormorant  
smolt, parr

Lamprey  
adult, grilse

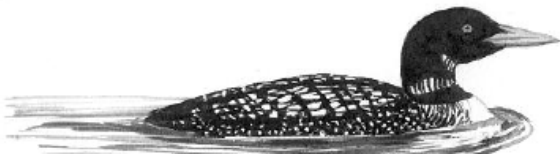

Angler  
adult  
grilse  
parr

Great Blue Heron

fry, parr

fry, parr, smolt

Loon

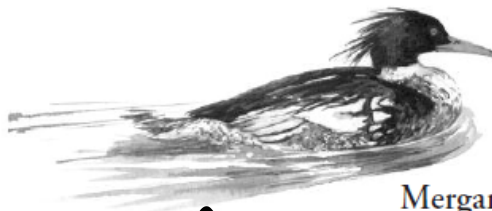

Otter

grilse

Kingfisher

parr, smolt

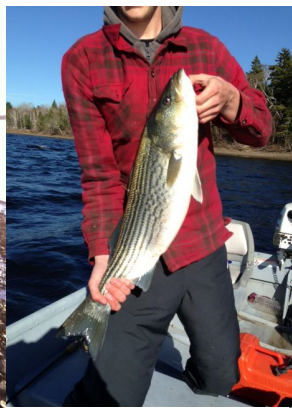

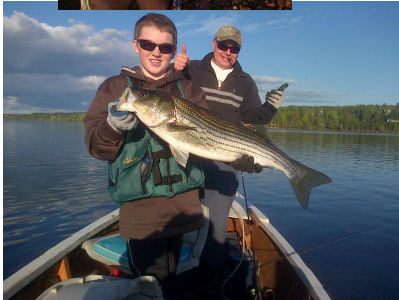

Merganser

fry, parr, smolt
