

Thursday, November 16th

- today you will be completing an in-class assignment... done individually but can use your notes/text.

[Assignment - Angle Properties.pdf](#)

- when finished, pass in to the folder up front.
- begin working on the following questions from the text...

HOMEWORK: p. 104 #1 & 2

p. 106 #1 - 5

NOTE: Give period 5 this to do over the weekend since they are missing tomorrow's class for BBall game...
