

warm up

Oct 26

Without using a calculator find $\sqrt{75}$.
(Use benchmarks)

$$\begin{array}{ccc} \overline{64} & & \overline{81} \\ | & & | \\ 8 & & 9 \end{array}$$

(8.7)

Concept Reinforcement

1. Complete and submit the pythagorean worksheet. Work is to be done individually.
2. Complete 'Extra Practice 2'
