6. David works at Pizza Delight as a waiter where he is paid \$12.50 per hour, plus 75% of the tips that he collects. Last week he worked 38 hours and collected \$315 in tips. In addition to C.P.P, E.I., and Income tax, he also paid a \$3.65 uniform fee, a \$5.80 deduction for a life insurance policy, and \$12.45 for medical benefits. Determine his **net pay**, given that he falls under claim code 1.
