

INDEPENDENT NOVEL STUDY

These are your instructions for the week of April 20th-April 24^h

1. Continue your Reading Log:

You must complete this reading log each day you read your novel. A copy of the reading log template is on the next page. Try to read for at least 30 minutes each day! The brief comment section of the log can be done in point form and should be your reflection on what you read.

2. Continue your Vocabulary:

As you begin to read your novel, start to make a list of 20 words that you come across that are unfamiliar to you. Be sure to record the page number for each word. Later on, there will be an assignment associated with these words that you have found.

3. Reading Response #3:

These questions are to be answered when you are near the end of your book:

- a. What is the climax of the novel? What major conflicts lead up to it and what is its resolution afterward?
- b. What did you learn from this novel? In answering this question, you may comment on any aspect of the novel including how it is written.
