

Sir Isaac Newton

## Welcome to ... Advanced Mathematics with Calculus 120

Gottfried Leibniz

Housework to get done today...

- Attendance
- Introductions
- Classroom Rules...
  1. Must be on time and prepared with all necessary supplies.
  2. No food or drink during class other than water and a light snack before class.
  3. Must be respectful of all others in the classroom. Someone speaking or intercom in use means EVERYONE else is listening.
- Review emergency evacuation procedures and "code black".
- Course Outline

# Review Activity

It is time to dust off your mathematical toolkit.

- The following placement test covers material that students entering a Calculus course would be expected to be able to handle.

UNB Sample Placement Test...

Complete this 40 question test for tomorrow !!

## Good Luck!!

Correct the 40 multiple choice questions from the placement test:

Solutions

- *Let's have a look at any problems*
