

## Home Learning - Getting Started

Email will be one way to stay in touch during this period of Home Learning.

---

1. Don't know your school email address, username or password? Read the attachment "How to access Email online 2020". The second page contains information on how to get technical support.
2. Follow the steps in "How to access Email online 2020" to access your email account.
3. Please send me an email to say "Hi" or send me a picture of your smiling face. 😊  
My school email address is below and you can find it by clicking "Staff" on the MVHS website.
