Ladies and Gentlemen:

Yesterday I bought five LaViva frozen pizzas for a party I had last night. Although I baked the pizzas as directed, the crust was tough, and the sauce was so bitter that we could not eat them. I had to throw them out.

Today I took my receipt to the Fair Price market where I bought the pizzas. The manager gave me a refund; then he asked me to write to you because he thought that you should know about this problem.

I hope that you will check this matter so that your food products will always be up to your usual high standards. The code number on the boxes was CX-463.

Yours truly,
