## Public Health School Immunization Clinics

Dear Parent/Guardian:

Horizon Public Health will be offering vaccinations to all Grade 7 and Grade 9 students as part of the routine school immunization program.

For those **Grade 7** students, we will be offering protection against **HPV** (human papillomavirus) and **Tdap** (tetanus, diphtheria and whooping cough).

*\*Please note HPV is a two-dose series, six months apart*

For those **Grade 9** students we will be offering protection against **Varicella** (chickenpox) and **Meningitis**.

To submit your child's consent form electronically and to review the vaccine information sheet, please visit the following link. Should you require a paper copy of the consent and vaccine information, please inform your school.
