MVHS ACADEMIC INCENTIVES

All students attending MVHS and registered in courses with a final exam will be required to write that exam at a value of 30%. The only exception will be when a student has met the requirements for the MVHS Academic Incentive.

To reach Academic Incentives a student must meet the following criteria:

- miss 5 or fewer classes in **all** subjects (3 times tardy for a class will constitute one class missed)
- student must be in good standing in the course by having all their assignments, projects, tests, quizzes, etc. completed to the teacher's satisfaction in a timely matter
- students must have a passing grade in the course

Days missed for school sponsored events or a death in the family will not be counted against the student. Students may also apply to the Academic Incentives Attendance Committee for compassion days if they know in advance of ongoing medical appointments or scheduled surgeries.

All students in good standing will be eligible for one of the following scenarios. The subject teacher will apply the formula most beneficial to the student's final grade.

Academic Incentive Scenarios:

-
- exam final valued at 50%
- final exam worth half of value normally assigned (15%)

It is understood this policy does NOT apply to any District or Provincial assessments where the exam is determined by those authorities
